

ENGLISH:

We will be looking at stories based around Superheroes. We will also focus sentences with full stops and capital letters.

AT HOME: Can you write a sentence about your favourite superhero?

MUSIC:

The children will listen to and comment on live and recorded music, learning about the differences between pulse, rhythm and pitch.

AT HOME: Can you listen to a song at home and find the pulse?

Art and Design:

We will be looking at colour and Pop Art including the famous artist Andy Warhol.

AT HOME: Can you colour a picture? What colours did you use?

OUTDOOR LEARNING: We will going outside to enhance our learning in class such as seasonal changes, counting in maths and colour in art.

AT HOME: Look out for Autumnal changes and draw a picture or take a photo to show the class.

MATHS:

- *Read and write numbers to 20 (also in words)
- *Counting to 20 and beyond
- *Recognising 1 more or 1 less than a number
- *Time—Can you tell the time using o'clock? (moving on to half past)

AT HOME: Set a timer to go off every hour throughout the day (on the o'clock). Where are the hands on the clock?

SCIENCE:

Seasons: We will be looking at seasonal changes and weather patterns.

AT HOME: Can you keep a weather chart for seven days. Was it the same every day?

History: :Real Life Superheroes

We will be learning about people who have been super in their lives such as firefighters and famous heroes such as Florence Nightingale and Edward Jenner.

AT HOME: Who do you admire and respect? What makes them super?

RE: We will be discussing What do Christians believe God is like? We will be looking at the stories, The Lost Son and The Lost sheep.

AT HOME: Do you have a bible at home? Can you find these stories in it?

Computing:

We will be focussing on internet safety and some basic laptop skills including drawing pictures using 'Paint'.

AT HOME: Can you tell your family how to be safe on computers?

Superheroes!

Launch: What is your super power?

Landing: Superhero Day

PE:

We will doing some circuit training including basic skills such as throwing, jumping and travelling.

AT HOME: Practise standing on one leg. Now try the other. Which was easier? Can you throw and catch a ball with a family member

Values:

We will be looking at our school rules (Be Safe, Be Resilient, Be Respectful, Be Kind, Be ready to learn).

AT HOME: Can you think of when you use these rules at home?
