

Welcome Back!

Welcome Back! I hope you all managed to get some rest over the half term and all those coughs have cleared up! I hope you are ready for another busy half term!! We have lots of fun things planned and of course our Christmas Nativity!

Topic

This term our topic is Toys old and New, we will be finding out about toys in the past and how they are different to toys we play with now.

Jumpers, Cardigans, Coats, Hats and Gloves

As the weather is getting colder and hats, gloves and scarves are coming into school, please make sure everything is named!! We end up with lots of lonely gloves that we like to reunite with their owner.

Reading

All the children have two reading books each week. Please read with your child three times a week and make sure you record this in their reading record. Reading at home 3 times a week is so important for the children to develop with their reading. It helps them to become confident and happy readers. It would be amazing if we could get 100% reading every week. I will be sending home the percentage of the class who have read three times on a Friday once we have counted it up.

PE Kit

Please ensure PE kit comes back into school this week. It will be PE on Wednesday with Miss Brunt.

Unwell

If your child is unwell, please let us know before 8.30. If your child has a sickness bug, please keep them home for 48 hours after the last bout of sickness.

Lunches

Please ensure you have ordered your child's lunch by Thursday each week for the next week. It is possible to order your children's lunch a term in advance via parent pay. If you don't order lunch your child can still have lunch but it will have to be that day's main choice.

Here to help!

Please remember that I am here anytime. If you have any worries or concerns grab me at the end of the day.
