

Welcome Back

Here we are in Spring 2, your children are half way through their time in Reception, where has that time gone! This term our topic is People who Help Us. We would love to hear from you if you are able to help us with this topic. Please make sure that the children return to school with their PE kits by Wednesday 25th February. We are looking forward to the weather getting a bit brighter and enjoying even more time outside.

Topic

This term our topic is People Who Help Us. We will be having lots of visitors this term, which is always exciting. We will be thinking about Vets this term and how they help our animals. At the end of term we will be having pets week. More details to follow, but if you have a family pet maybe you would like to book a time slot to visit us.

Jumpers and Coats

Please make sure that your children have coats and jumpers in school everyday. Please can you also make sure all hats, gloves and scarves are named. If you are missing a glove please ask, if we have several lonely gloves!

Unwell

As more colds and tummy bugs make an appearance, please make sure you keep your children off school if they are unwell, to stop germs spreading. If your child has an upset tummy please keep your child home for 48 hours after they were last poorly.

Reading

As we head into the spring term we will be learning more new sounds and they will become more challenging. We will also be learning new tricky words as the term progresses. Please keep up with **reading 3 times a week**. When reading with your child if they have sounded out a word and it appears on another page see if they can remember it! This term we are working on the children becoming fluent readers, can they read the sentence back to you?

Fluffy!

Unfortunately Fluffy our class dog had an unfortunate injury and will be requiring round the clock care. The children will be taking it in turns to take him home and look after him. He is very cuddly and well behaved and comes with everything he needs!!

People who help us Day

We will be having a very special day. The children can choose to dress up as one of our special visitors, or they can come in their own clothes. We will be doing lots of fun activities throughout the day. More details to follow.

Creative Corner

The children love being in creative corner and making many wonderful creations, however stocks of junk modeling materials have run very low. Please can I ask that you send any small cardboard boxes into school rather in the recycle bin, we can repurpose and give them a new home!

Here to help!

Please remember that I am here anytime. If you have any worries or concerns grab me at the end of the day or email me.
