Dear Andrew Milner,

I am writing to congratulate you on Leonard Stanley Church of England Primary School's success in achieving Gold in the School Games Mark for the academic year 2024/25.

This award is a testament to your school's commitment to supporting all children to be physically active on a daily basis, and I am delighted that your hard work, alongside your teachers and pupils, has been recognised in this way.

At a time when many children and young people face many different challenges, regular physical activity is vital for their development, wellbeing and access to skills.

Opportunities to be active at school are essential, especially for those children less likely to be active outside the school day, and your school's commitment to PE, school sport and play is making a difference to children today whilst improving their life chances for tomorrow.

Thank you, and congratulations to all those involved at your school and across the community for helping support more children and young people to access the enormous benefits which come from being physically active.

Yours sincerely,
